1. Agenda

The General Assembly decided to include into the agenda of the 13th Plenary Session the additional item "Election of the Secretary General" as item 9.c of the agenda.

2. General debate.

The General Debate was devoted to the parliamentary actions in support of the Black Sea Economic Cooperation process.

The Speakers/Presidents of the Parliaments of the BSEC Participating States, heads of national delegations, observers from the People's Assembly of Egypt and the Knesset of Israel as well as the BSEC Secretary General and the BSTDB President took part in the general debate.

The participants in the debate stressed the role of the national parliaments as well as of the Parliamentary Assembly in the ratification process of the Charter of the Organisation of the Black Sea Economic Cooperation, which has become a turning point in the consolidation of the cooperation among the Participating States.

The transformation of the BSEC into a full-fledged regional economic organisation has opened new prospects, highlighting new objectives and challenges for the Black sea region on the eve of the 21st century.

This new status requires also new approaches by the BSEC Parliamentary Assembly called upon to bring its substantial contribution to the multilateral economic cooperation process in the region, to the efforts undertaken by the Member Countries with a view to stimulate economic growth, strengthen the rule of law, ensure stability, prosperity and peace in the region. To this end, the Parliamentary Assembly has to elaborate strategies for its long-term development, to better define its place among other BSEC components. In this framework the members of the Parliamentary Assembly appreciated the Work Plan of the Committees, endorsed by the Standing Committee, which will provide better perspective of the PABSEC activities.
